Subject: Notice of File Closure and Release of Reclamation Surety, Rancho Equipment Services, Topaz Valley Limestone Mine, M/023/0022; Juab County, Utah

Dear Mr. Thomas:

The permit for the referenced mine will now be closed and the files retired. The Bureau of Land Management has authorized release of the bond and has closed their case file. Enclosed with this letter is a copy of your original reclamation contract. By separate letter, the Division is authorizing release of the reclamation surety bond.

You are hereby released by the Division from further reclamation responsibilities at this site. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit new notices to the Division and other appropriate agency(ies), and provide reclamation surety prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261 or Wayne Western at (801) 538-5263. Thank you for your cooperation in completing the reclamation work, including the additional seeding and soil sampling after initial revegetation work failed.

Sincerely,

Paul B. Baker  
Minerals Program Manager
